

In partnership with the Kapuskasing Area Family Health Team, HKS Counselling Services is looking for a dynamic person to work closely with the interdisciplinary team of physicians and primary health care professionals.

POSITION: Community Mental Health Counsellor

STATUS: Temporary / part-time (25-30 hours / week)

LOCATION: Family Health Team Office - Kapuskasing

RESPONSIBILITIES:

- Assessment/triage to determine appropriate clinical needs and services;
- Case management and service coordination;
- Counseling and short-term treatment;
- Identify and support client access to community and professional programs and services;
- Assist with navigation and coordination of the health system; advocate for client needs to access needed resources;
- Consult with physicians and health care professionals as needed to determine and coordinate the treatment plan.

REQUIRED SKILLS:

- Hold a post-secondary degree in social work or a related field;
- Experience working with an adult population that required clinical services;
- Demonstrated ability to maintain harmonious working relationships as a team;
- Have excellent oral and written communication skills in French and English;
- A valid driver's license and a means of transportation, required;
- Ability to use a computer and knowledge of Windows and Microsoft Office programs.

This position offers an excellent salary, a HOOPP pension plan and a comprehensive benefit plan according to the current collective agreement. Interested applicants are requested to send their job application no later than **Friday February 10**, to the attention of:
